

Academic Excellence . . . Tuscaloosa County Schools Awarded \$502,000.00 In Scholarships . . . 1986-87

"One hundred and fifty-six graduates earned scholarships to attend institutions of higher learning throughout the United States."

Tuscaloosa County Students Excel in Academics

Tuscaloosa County graduates for 1986-87 are to be commended for the excellence demonstrated in the academic areas. Sixteen percent of the seniors earned scholarships for pursuing their career goals at colleges and universities throughout the United States. There were twenty educational institutions granting scholarships to one hundred and fifty-six students.

Long hours of studying, strong motivation to achieve, and persistent hard work toward high educational goals have resulted in scholarships totaling \$502,000.00 for graduates of the Tuscaloosa County Schools.

One of those scholarship winners was Bill Stephens, Holt High School senior, who represents the first student from the Tuscaloosa area to ever win the top scholarship granted by the University of Alabama. The Blount scholarship is valued at \$20,000.00.

The extremely large number of student scholarships is one positive indication of the strength of the academic program in the Tuscaloosa County Schools.

Neil Hyche, Ed.D
Superintendent of Education

Dr. Joab Thomas, (far right) University of Alabama President, presents the prestigious Blount Scholarship to Bill Stephens, (second from right) Holt High Senior. Dr. Neil Hyche, Superintendent, Tuscaloosa County Schools (left) and Mr. and Mrs. William Stephens, parents, attend the official ceremony.
